CO2 figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO2 figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO2 emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable.

For further information on CO2 and pricing for vehicles with optional equipment, please visit www.peugeot.co.uk and configure your chosen vehicle with your preferred options.

Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO2 values of other cars tested to the same technical standard.

The fuel consumption achieved, and CO2 produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO2 figures. **On the Road* MRRP includes registration plates and delivery to retailer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

7" Capacitive Colour touchscreen

7" Capacitive Colour touchscreen:

The PEUGEOT 108 brings the city car into a new era with its 7" Capacitive colour touchscreen placed prominently in the middle of the dashboard.

This 7" screen establishes a new relationship between the driver and the car. It is the interface for the audio system, the trip computer and for vehicle settings. It also doubles as the reversing camera screen for added safety during manoeuvres.

It allows you to stay connected even when you are on the move. touchscreen connectivity is available via USB, Bluetooth® and Mirror Screen®.

Colour Reversing Camera

Colour Reversing Camera: (Standard from Allure and Collection)

Even in tight city spaces, parking is a doddle with the colour reversing camera in 108. It's triggered automatically when you shift into reverse, and an image of what's behind you is displayed on the screen, helping you to reverse safely in any situation.

Active City Brake

Active City Brake (Optional on Allure and Collection)

Active City Brake is a technology which makes it possible to avoid an accident or reduce its severity if the driver fails to react. It works in urban conditions at speeds of less than 20 mph. A short range sensor is fitted to the top of the windscreen and can detect other vehicles that are driving in the same direction or stationary. This will automatically trigger an emergency brake to stop the vehicle and avoid a collision entirely or limit the consequences of an accident by reducing the speed of impact.

Mirror Screen®

Mirror Screen®:

Allows the mirroring of a compatible smartphone screen to access the key functionality on the handset. Once paired functions are displayed on the 7.0" capacitive colour touchscreen. System features vary by provider/phone and can include navigation, text display, text reading, media functionality voice control. Mirror Screen® uses the following systems:

- Apple CarPlay™
- Android Auto
- MirrorLink®

*For further information on Apple CarPlay™ and smartphone compatibility please visit : <https://www.apple.com/ios/carplay/>

For information on Android Auto and smartphone compatibility please visit : <https://www.android.com/auto/>

PEUGEOT Open and Go (keyless entry)

PEUGEOT Open and Go: (Standard on Allure)

No more fumbling for your keys or struggling to unlock the car in the dark. The PEUGEOT Open & Go system, available on the Allure level, provides keyless entry so you're always ready to go. PEUGEOT Open & Go in 5 easy steps:

- Just open the door of your 108
- Take a seat
- Depress the clutch
- Press the start button
- And you're off.

Lane Departure Warning System

Lane Departure Warning System: (Optional on Allure and Collection)

The Lane Departure Warning System uses lane marker recognition to detect the white lines on well-maintained roads. It operates at speeds of more than 30 mph and urges the driver to avoid lane departure via an audible signal and warning light.

The fuel consumption achieved, and CO2 produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO2 figures. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO2 values of other cars tested to the same technical standard.

^ 'LOW': Low speed city driving, representative of city centre driving, maximum 35mph.

^^ 'MEDIUM': Medium speed town driving, representative of town or suburban driving, maximum 50mph.

^^^ 'HIGH': High speed rural driving, representative of A-road or dual carriageway driving, maximum 60mph.

^^^ 'EXTRA HIGH': Extra High speed motorway driving, representative of a typical European motorway, maximum 81mph.

^^^ 'COMBINED': A mixed journey average of all elements

Figures quoted reflect a range of configurations (including non-UK market vehicles) and are subject to changes resulting from ongoing product development, range evolutions, testing and evaluations.

PEUGEOT 108 Range: Service Contracts

PEUGEOT offer two levels of Service Contract:

PEUGEOT Service Plans

What's included:

- PEUGEOT Service Plans offer complete assurance that all your servicing costs will be completely covered for the duration of the plan
- We offer PEUGEOT Service Plans for up to five years with many mileage options
- One-off up front or monthly direct debit payment options available

Monthly price examples*:

36 Months / 35,000 Miles	48 Months / 45,000 Miles	60 Months / 55,000 Miles
13.07 per month	15.62 per month	15.11 per month

* Price examples based on an annual mileage of 10,000 per annum

A PEUGEOT Service Plan can be purchased up to 12 months after registration date. The prices quoted above are indicative, for a bespoke quote please contact your local PEUGEOT Dealer. If the plan is taken out after the date of registration an additional payment will be required to cover this starting period. Any normal wear and tear maintenance work such as replacement of tyres, brake pads, brake discs, clutches, shock absorbers, wipers, batteries, bulbs, silencer, exhausts and windscreens are excluded. Servicing must be carried out by a PEUGEOT Authorised Repairer in the UK. PEUGEOT Motor Company reserve the right to change, amend or withdraw this product at any time.

Extended Peugeot Assistance*

What's included: Extension of your PEUGEOT Assistance Cover

- Offers you the opportunity to extend PEUGEOT Assistance up to a further two years
- Cover includes:
 - PEUGEOT Assistance from Home
 - PEUGEOT Roadside Assistance
 - PEUGEOT Recovery
 - PEUGEOT Onward Travel
 - PEUGEOT European Cover

* Excludes non-vehicle induced faults

To find out about extending your Peugeot Assistance cover, call 0800 294 0294.

PEUGEOT 3 Years of Warranty

All vehicles first registered in the UK and purchased from a UK PEUGEOT Retailer benefit from a PEUGEOT 2 year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the PEUGEOT Retail Network in the UK.

PEUGEOT Assistance

All new PEUGEOTs come with PEUGEOT Assistance, our breakdown assistance service.

PEUGEOT Assistance is available every minute of the day and night; 365 days of the year, for you and anyone else driving your PEUGEOT with your permission.

Full details are available at www.peugeot.co.uk

Terms and Conditions

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

It is our policy to continually improve our vehicles in every way. To avoid any misunderstandings you are advised to check with your PEUGEOT Dealer the prices, specification (including colour), equipment, accessories and equipment relating to any PEUGEOT vehicle and the exact cost and availability prior to ordering.

Where a feature is described as an option in this publication it should be assumed that it is at extra cost unless specifically stated otherwise.

Issued by Sales and Marketing, PEUGEOT Motor Company PLC, Pinley House, Sunbeam Way, Coventry CV3 1ND.

For further information visit our website at peugeot.co.uk or contact your local PEUGEOT Retailer.
