NEW CITROËN
C5 AIRCROSS SUV

INSPIRED BY YOU
During the 90s, Le Tone had a major hit, “Joli Dragon,” and devoted himself to music for years before progressively moving towards illustrative art. Since 2011, his creations have been exhibited in famous places such as the Pompidou Centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1939
Citroën sets a new market standard with the Traction Avant. At the Paris Motor Show, the DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname ‘flying saucer’. Under the skin it’s just as advanced.

1948
The much-loved 2CV is created as a “safe and economical vehicle, able to carry 4 people on board and 50 kg of luggage.” More than 5 million are made.

1955
Unveiled to a stunned public at the 1955 Paris Motor Show, the DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname ‘flying saucer’. Under the skin it’s just as advanced.

1968
It’s a golden age for light and agile vehicles like the Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

1974
Citroën launches CX. It’s the ultimate mix of technical innovation and advanced design with the engine and gearbox positioned together at the front. Sophisticated hydropneumatic suspension, concave rear screen and a futuristic dashboard help it to succeed amongst more ordinary rivals.

2016
Experience Concept reinvents the prestige saloon. A bold, fresh silhouette, a high-end stylish interior and the latest technology combine to inspire the world of automotive design.

2017
Winners of the Manufacturers’ Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers’ Champion five times in a row; eight Manufacturers’ Champion titles in WRC plus three in WTCC… Citroën has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.
a Citroën for everyone

Around town or across the country, every Citroën provides pure comfort and a welcoming environment. It’s always been this way.
new Citroën C5 Aircross SUV
with 10 key strengths

DYNAMIC DESIGN
Strong and assertive, New Citroën C5 Aircross SUV features large wheels, raised ground clearance and the iconic Airbump®. It has an SUV presence without aggression.

PAGES 12 - 13

30 EXTERIOR COMBINATIONS
With 7 body colours, optional black roof, 3 colour packs and 4 alloy wheel designs, it’s easy to create your perfect personal look.

PAGES 16 - 17

SUSPENSION WITH PROGRESSIVE HYDRAULIC CUSHIONS®
Exclusive to Citroën, this system delivers a real flying carpet ride.

PAGES 28 - 31

ADVANCED COMFORT SEATS
Uniquely welcoming and comfortable, these seats make the interior feel more like a contemporary lounge.

PAGES 32 - 33

3 INDIVIDUAL REAR SEATS
Welcome to the only SUV in its class with three individual full width rear seats.

PAGES 36 - 37

UNRIVALLED SPACE AND FLEXIBILITY
With individual rear seats that slide, recline and fold away altogether, this is the most flexible SUV in its class.

PAGES 38 - 39

UP TO 670L OF BOOT SPACE
Roomy and versatile, New C5 Aircross SUV has the biggest boot in its class.

PAGES 40 - 41

ADVANCED CONNECTIVITY
No fewer than 6 easy to use systems on board.

PAGES 46 - 49

20 DRIVING AIDS
Welcome to a haven of advanced safety, including Highway Driver Assist – a big step towards semi-autonomous driving.

PAGES 52 - 55

NEW EAT8 AUTOMATIC GEARBOX
A great balance of efficiency and driving pleasure.

PAGES 56 - 57
New Citroën C5 Aircross SUV is effortlessly comfortable, with class leading flexible space. The secret of its everyday functionality and relaxed ambiance is the unique Citroën Advanced Comfort® programme.
With a muscular profile and plenty of attitude, New Citroën C5 Aircross SUV redefines the feel of its class. Imposing and bold, it’s elegantly contemporary in every detail, without a trace of arrogance. At the front, there’s the unmistakable and proud double chevron design and powerful curved side panels. The 360° glazed surfaces are highlighted by a dynamic chromed ‘C’ motif. Rear lights feature four rectangular 3D LED modules, which emphasise the vehicle’s broad stance.
An SUV needs to take varied and difficult surfaces in its stride. New Citroën C5 Aircross SUV provides secure traction in all conditions thanks to Grip Control. This ingenious system has five modes, which you can select instantly using a dial on the centre console. For safety and control while travelling downhill there is also Hill Descent Assist, which minimises the risk of skidding or unwanted acceleration as you descend. It works in both forward and reverse gears as well as neutral.

*Available as an option on selected versions.
With 7 body colours and a Perla Nera Black bi-tone option, New Citroën C5 Aircross SUV is a very individual choice. There are also 3 colour packs: Silver Anodised, White Anodised and Red Anodised, which include stylish inserts on the front bumper, the Airbump® and under roof bars. A range of 4 stylish alloy wheel designs adds even more personalisation potential.

30 personal combinations

3 COLOUR PACKS : SILVER ANODISED, WHITE ANODISED AND RED ANODISED

Front bumper inserts  Airbump® inserts  Inserts for under roof bars
The moment you open the door, you’ll sense it. New Citroën C5 Aircross SUV welcomes you with a rare mix of refined comfort and space. Settle in and you’ll quickly appreciate the high driving position, great visibility and prestigious feel. The horizontal lines of the dashboard subtly incorporate a range of useful technology, such as the 8” touch screen. Carefully selected colours and tactile materials such as cloth and Nappa leather are inspired by quality luggage and the world of travel. Gloss black details and chrome inserts emphasise the inspired attention to detail.
Expressing yourself on the inside is made easier thanks to a range of interior ambiances.

The standard ambiance on Feel versions is understated and refined, with Grey Silica Cloth seats.

1 - Refined and subtle, the Metropolitan Ambiance brings you Grey Grained leather and Graphite cloth seats with a lighter grey band, combined with a centre console and dashboard top in grey, standard on Flair and Flair Plus.

2 - The ultimate choice is the Hype Brown Ambiance. This has Brown Nappa Leather with black leather effect cloth seats and a light grey Alcantara band. Centre console, dashboard top and instrument panel visor are brown. A Black and Brown full grain leather steering wheel adds a real touch of luxury.

feel at home with 3 interior ambiances
ALL ROUND RELAXATION

Designed to offer unrivalled comfort and wellbeing for each passenger, CITROËN ADVANCED COMFORT® provides the best for body and mind. Soft-touch contact points and low noise levels create a sense of calm, while interior space is designed to be stylish and really versatile. The overall ambiance makes journeys feel effortless and intuitive technology gives you fingertip control of the practicalities and unique features.
Bright, welcoming and typically Citroën, New Citroën C5 Aircross SUV is special on the inside as well as the outside. Exceptionally spacious, the interior is a haven of calm, thanks to double thickness laminated front windows with an insulating layer. Wind and road noise are kept to an absolute minimum. Enhancing the sense of wellbeing even further with the new Air Quality System [AQS]. Designed to detect environmental pollution, it automatically filters and purifies air entering and circulating through the cabin.

coooned in comfort
The panoramic glass sunroof makes every journey special whether it’s open or closed. Filling the interior with natural light, it truly contributes to the epic views enjoyed from New Citroën C5 Aircross SUV. Powered by two electric motors with a safe, automatic reverse function, it’s easy to use and also features a handy blind for fine-tuning brightness levels.

*Standard on selected versions.
Exclusively developed by Citroën, the suspension with Progressive Hydraulic Cushions® redefines pure driving comfort. Smoothing away both large bumps and minor surface imperfections, it makes New Citroën C5 Aircross SUV feel like a flying carpet. Stability and dynamics are also assured. Welcome to the best of both worlds.
When big bumps are encountered, the hydraulic cushions keep suspension movement controlled and progressive. With minor road imperfections, the cushions simply absorb it all, giving that relaxed flying carpet ride.

bumps are history

Ordinary suspension makes do with a shock absorber, a spring and a mechanical bump stop. With Progressive Hydraulic Cushions® you get special hydraulic cushions on either side, for rebound and compression. The result is a ride that takes everything in its stride, smoothly.
Advanced Comfort seats*

Taking inspiration from contemporary furniture, the seats in New Citroën C5 Aircross SUV provide unmatched lounge-like comfort on the move. With broad cushions and seat backs, they combine high density foam at the heart of each seat and a thick, textured foam at the surface. Perfect support and softness are guaranteed, on the shortest trip and the longest adventures.

*Standard on Flair and Flair Plus.
The front seats in New Citroën C5 Aircross SUV provide premium level comfort as well as being heated. The driver seat has a multipoint massage system that uses 8 pneumatic pockets fitted in the seat back. Using the 8” touch screen, you can choose between 5 programmes that combine lumbar, back and shoulder massage. With front seat height adjustment, fully adjustable head rests and all seats carefully shaped for optimum support, this is a seriously relaxing SUV.

* Present with Nappa Leather, available on selected versions.
With three individual rear seats of the same width, New Citroën C5 Aircross SUV provides the same level of comfort and space, wherever you’re sitting. With 5 different reclining positions and the ability to slide 150mm, they are ultimately accommodating. When you need serious carrying capacity, the rear seats fold to leave a perfectly flat floor.
You can reconfigure the roomy, flexible interior of New Citroën C5 Aircross SUV to suit your needs. Sliding, reclining and foldable rear seats make it easy.

change your space
New Citroën C5 Aircross SUV has a roomy 580l boot, but this is just the beginning of the story. Move the rear seats to their furthest forward position and you’ve got up to 670l, giving you the most generous boot in its class. When rear seats are folded there’s an amazing 1630l, and thanks to a clever folding mechanism the boot offers 2 perfectly flat floor heights. Accessing all this flexible space is effortless too, because there’s a new hands-free tailgate which you can open and close simply by moving your foot under the rear bumper.
intelligent storage

Part of being truly comfortable when you’re travelling is having a perfect place for everything you need. New Citroën C5 Aircross SUV has plenty of useful storage solutions. The large compartment under the central armrest has a section that can carry a 1.5l bottle, whilst the glove box and door pockets are roomy too. You’ll also appreciate the large storage area at the front of the centre console, which features ingenious magnetic wireless charging for a smartphone.
New Citroën C5 Aircross SUV makes sure your digital world is always with you, offering 6 advanced connectivity systems. In addition, there are 20 driving aids* dedicated to safety and making life on the move easy and enjoyable. Giving you great access and control to your systems, there’s a crystal clear 12.3” TFT digital instrument panel, which has lots of potential for personalisation.

* Dependent on version.
real time navigation at your fingertips

The latest 8" touch screen brings you the instant responses and clear usability of your smartphone. Ideally placed for safe use, it lets you access the advantages of Citroën Connect Nav*, a 3D connected navigation system. This innovative feature brings you real-time traffic information, weather reports, plus the location and price of car parks and fuel stations. You can search for points of local interest and get advanced warning of any problems ahead. In other words, you get everything you need to enjoy total peace of mind, everywhere.

* Standard on selected versions.
ConnectedCAM Citroën®

Located at the base of the interior rear view mirror, this innovative camera system uses full HD GPS technology with a built-in 16 GB memory card. It allows you to take photos or video footage, which you can download by email and add to your social media. A major safety feature, it saves video recordings in the event of an accident.

* Dependent on smartphone model
** Standard on selected versions.

inovative driving apps

MIRROR SCREEN*

This intelligent app uses the touch screen to mirror your smartphone, displaying all driving compatible apps. Depending on your exact phone, apps can be controlled by voice, so you can keep your eyes on the road. The system is compatible with Android Auto, Apple CarPlay™ and MirrorLink®.

* Dependent on smartphone model
** Standard on selected versions.
Highway Driver Assist is a big step towards semi-autonomous driving, allowing you to programme your Citroën C5 Aircross SUV to manage important elements of the journey on any road. Simply select a speed above 19 mph and the system will maintain your position in lane by following road markings. Using the Adaptive Cruise Control with Stop&Go function, your vehicle can then stop and move off again to match the movements of the vehicle in front. Now you no longer need to constantly manage speed and direction during journeys, as your vehicle is safely in control. For Highway Driver Assist to keep working, your hands need to be on the steering wheel, and naturally you can take over control at any time.

* Standard on selected versions.
20 safety and driver aid systems

**HIGHWAY DRIVER ASSIST**
This major advance allows New Citroën C5 Aircross SUV to control key driving tasks during any journey. The system maintains your position and speed in a chosen lane, and manages stopping and restarting to exactly match the movements of vehicles in front.

**ADAPTIVE CRUISE CONTROL WITH STOP&GO FUNCTION**
Using a camera, this system detects the vehicle in front and automatically maintains a safe distance chosen by you. Using the brake and accelerator, it can safely stop and move off without any driver intervention. Adaptive Cruise Control with Stop&Go function is available with the EAT8 automatic gearbox.

**ACTIVE SAFETY BRAKE**
This is a reassuring safety feature that minimises the risk of collisions. Working from speeds of 3 mph, it detects both fixed or moving obstacles as well as pedestrians. If it detects a collision risk, Active Safety Brake sends an alert to the driver, and if they don’t react, the system stops the vehicle automatically.

**COLLISION RISK WARNING**
Using a front-mounted radar to warn you if there’s a risk of collision, this technology helps you to maintain exactly the right distance from the vehicle in front. It works from 19 mph.

**ACTIVE LANE DEPARTURE WARNING SYSTEM**
Really useful on multi-lane roads, this monitoring system warns you if there’s a vehicle in your blind spots, using an orange LED in the corner of the door mirror. If you’re heading for the detected vehicle, it will correct your position automatically.

**DRIVER ATTENTION ALERT**
By evaluating changes in direction relative to road markings, Driver Attention Alert can analyse driver alertness and send a warning when necessary. It’s a useful safety feature, especially on roads where the speed limit is over 40 mph.

**ACTIVE LANE DEPARTURE WARNING SYSTEM**
Depending on version 52 53

**ADAPTIVE CRUISE CONTROL**
This system uses a camera to maintain a safe distance from the vehicle in front, at speeds above 19 mph.

**INTELLIGENT BEAM HEADLIGHTS**
When vehicles are detected coming towards you or overtaking, Intelligent beam headlights will switch from main to dipped beam. It ensures you always have the right lighting for night driving.

*Dependent on version
20 safety and driver aid systems

EXTENDED TRAFFIC SIGN RECOGNITION AND SPEED RECOMMENDATION* Keeping you fully informed of speed limits at all times, this innovation uses a camera to detect signs, so that you can adjust your cruise control or speedimiter to match. It also detects Stop, One Way and No Overtaking signs.

KEYLESS ENTRY AND STARTING Convenient and ingenious, you can now lock and unlock without getting your key out. The vehicle recognises you as you approach.

ELECTRIC PARKING BRAKE Safe and easy, the Electric Parking Brake applies automatically when the engine is switched off and releases when you move away. You can also use it manually using the control paddle.

PARK ASSIST** Perfect for parallel or bay parking, this system can detect a space, then automates the steering to park or complete the process. All you need to do is engage the gears and control the accelerator and brake.

360 VISION** Manoeuvres are much easier using 360 Vision, because it shows you an overhead 360° image of your vehicle’s immediate surroundings. The technology offers 3 different views and selects the ideal one for each situation. You can also choose the right view manually.

REVERSING CAMERA WITH TOP REAR VISION* Engages reverse and the camera displays a 180° rear view on your touch screen. Additional coloured lines make the position of obstacles clearer, and when you approach them, the camera zooms in automatically.

TRAILER STABILITY CONTROL** When you have towing equipment fitted, this feature works with the ESP system. If it senses the trailer beginning to sway, it uses the vehicle brakes to maintain stability.

HILL START ASSIST Designed to prevent unwanted movement when you release the brake pedal on slopes, Hill Start Assist works on gradients over 3%. It holds the vehicle for about 2 seconds, giving you time to move calmly from brake to accelerator pedal.

FOG LIGHTS WITH STATIC CORNERING FUNCTION* Providing an additional light beam on the inside of bends, this innovation makes tricky bends and junctions safer and easier to navigate.

GRIP CONTROL® WITH HILL DESCENT** Here’s a traction control system created to optimise front wheel grip for every kind of road surface. The dashboard-mounted dial makes it easy to select one of the 5 modes: Standard, Snow, Sand, Mud and ESP OFF. Hill Descent Assist holds your vehicle at a low, controllable speed on steep slopes. You can activate it from a button on the centre console and it works in forward and reverse gears.

* Dependent on version.
** Available as an option.
In addition to the 6-speed manual gearbox, New Citroen C5 Aircross SUV can be specified with the latest EAT8 automatic with 8 speeds. More fuel efficient than ever, it’s also a joy to use, providing incredibly smooth shifts between gears. You can also change gears manually if you want to, using the steering wheel mounted paddles, slipping seamlessly back to automatic whenever you wish.
New Citroën C5 Aircross SUV gives you a choice of efficient, powerful engines. Featuring the very latest advances for maximum driving pleasure, there are two petrol options and three diesels, with power ranging from 130 hp to 180 hp.

2018 International Engine of the Year Award for the PureTech 110 Petrol and PureTech 130 Petrol engines, in the 1L to 1.4L engines category, awarded by the jury of “The International Engine of the Year Awards”, organised by “Engine Technology International”.

NEW CITROËN
C5 AIRCROSS SUV
PRODUCT SPECIFICATIONS

INSPIRED BY YOU
FEEL. THE PERFECT BALANCE.
NEW CITROËN C5 AIRCROSS SUV
FEEL SPECIFICATION INCLUDES:

Safety and Security
• Safety Pack – Active Safety Brake (with 77GHz radar),
  Active Blind Spot Monitoring System, Active Lane Departure
  Warning System
• Citroën Connect Box with SOS and Emergency assistance

Comfort and Convenience
• Suspension with Progressive Hydraulic Cushions®
• Automatic dual zone climate control
• Rear parking sensors
• Acoustic laminated windscreen with rain and brightness sensors
• Electric, heated door mirrors

Interior Features
• Multi-function leather steering wheel with 2 command blocks
• Seat – Height adjustable driver and front passenger seat,
  Standard Ambiance with Grey Silica Cloth

In-Car Entertainment
• DAB radio (Digital Audio Broadcasting)
• Mirror Screen – MirrorLink®, Apple CarPlay™, Android Auto

Exterior Features
• 17 inch ‘Ellipse’ alloy wheels

Exterior Lighting and Visibility
• Visibility Pack – Automatic headlights, Automatic windscreen wipers

FLAIR. THE IDEAL COMPANION.
IN ADDITION TO THE FEEL SPECIFICATION, FLAIR VERSIONS
BENEFIT FROM THE FOLLOWING ADDITIONAL FEATURES:

Safety and Security
• Two-tone horn

Comfort and Convenience
• Front parking sensors
• Visio park 1 (rear view reversing camera)
• Front fog lights with cornering function

Interior Features
• Metropolitan Grey Ambiance with Grey Grained leather/Graphite cloth
• Advanced comfort seats
• Driver’s seat with lumbar adjustment
• LED welcome lighting with 2 front LED spot lights
• Rear LED reading lights (x2)
• Chrome front inner door sills with ‘CITROËN’ embossing

In-Car Entertainment
• Citroën Connect Nav – TomTom® Live services (3 year subscription)
• ConnectedCAM Citroën®
• Voice recognition (radio, navigation and telephony features)

Exterior Features
• 18 inch ‘Swirl’ alloy wheels
• Electric, heated and folding door mirrors with integrated LED
  turn signal indicators
• Extra tinted rear windows and windscreen
• LED rear bumper fascia with chrome exhaust effect trim

FLAIR PLUS. THE ULTIMATE IN LUXURY.
IN ADDITION TO THE FLAIR SPECIFICATION, FLAIR PLUS VERSIONS
BENEFIT FROM THE FOLLOWING ADDITIONAL FEATURES:

Safety and Security
• Driver attention alert
• Intelligent beam headlights (auto dipping main beams)

Comfort and Convenience
• Foot operated motorised rear tailgate
• Keyless entry and start
• Acoustic laminated front windows
• Active cruise control (with Stop&Go function on EAT8 versions)

Interior Features
• Aluminium pedals and foot rest

In-Car Entertainment
• Wireless smartphone charging

Exterior Features
• Opening panoramic glass roof including electric blind
• 19 inch ‘Art’ bi-tone diamond cut alloy wheels
• Glass black upper radiator grilles
• Glass black rear bumper fascia with chrome exhaust effect trim

## EQUIPMENT SPECIFICATION

### BODY STYLE
- 5 Door SUV (Sports Utility Vehicle)
- EAT8, automatic transmission
- 2 trim levels: Feel, Flair
- Available equipment:
  - High Beam Assist
  - Stop&Go (EAT8 and to 19mph with eco versions)
  - Park Assist function (with auto parallel and bay parking)
  - Extended traffic sign recognition and recommendation

### SAFETY AND SECURITY
- Extended traffic sign recognition and recommendation
- Automatic brake intervention
- Active Blind Spot Monitoring System
- Active cruise control with Stop&Go (EAT8)
- Highway Driver Assist
- Intelligent Beam Headlight
- Programmable cruise control with speed limiter
- Automatic door locking when moving off
- Automatic headlight activation upon heavy brake application
- Tyre under inflation (indirect system)
- Space saver spare wheel
- Complimentary Citroën Care

### COMFORT AND CONVENIENCE
- ESP (including traction control and roll over protection)
- Electronic parking brake
- 4 disc brakes (front and rear)
- Front fog lights with cornering function

### LIGHTING AND VISIBILITY
- Automatic high beam
- Intelligent Beam Headlight
- 3D LED rear lights
- Magic Wash (integrated windscreen washers)
- Reversing camera displayed on the central screen
- Short range Intelligent Cruise Control
- Park Assist function (with auto parallel and bay parking)

### WHEELS AND TYRES
- 16 inch ‘Ellipse’ alloy wheels
- 4 disc brakes (front and rear)
- Electronic parking brake
- 2 control zones

### STORAGE
- Central armrest with butterfly-wing opening and illumination
- Smooth opening flocked glove box with lighting
- Open storage area next to gear selector (EAT8 versions only)
- Hinged parcel shelf

### IN-CAR ENTERTAINMENT
- Mirror Screen (Apple CarPlay™, Android Auto and MirrorLink®)
- Mirror Screen (Apple CarPlay™, Android Auto and MirrorLink®)
- Bluetooth® telephone facility
- 2 x USB sockets
- Smartphones wireless charging plate
- 12V socket in front of cabins
- 12V socket in the boot

### SEATING
- 3 independent full-size rear seats with adjustable recline angle
- Two seat positions (front)
- Manual passenger seat adjustment (height, fore/aft and backrest angle)
- Manual passenger seat adjustment (height, fore/aft and backrest angle)
- Driver and front passenger ‘Relax’ adjustable headrests
- Driver and front passenger adjustable headrests
- Driver and front passenger adjustable headrests
- 3 position boot floor
- 2 central illuminated cup-holders
- 2 position boot floor
- 2 central illuminated cup-holders
- Driver and front passenger adjustable headrests

### SAFETY AND SECURITY
- Front three-point retractable seatbelts, height adjustable, with pre-tensioners and force limiters
- Electronic parking brake
- 4 disc brakes (front and rear)
- Electronic parking brake
- 2 control zones

### TECHNICAL SPECIFICATION

1. Data available for standard vehicles and may vary depending on option. Please refer to your local dealership for more information.
Citroën and you

FINANCE AND INSURANCE SHOULD REFLECT YOU AND YOUR NEEDS, JUST AS YOUR CHOSEN CAR DOES. HERE ARE THE PRODUCTS THAT AIM TO DO JUST THAT.

FOR BUSINESS USERS

FREE2MOVE

• HIRE PURCHASE
A tried and tested finance package that allows you to own your vehicle.

• BUSINESS LEASE
An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

• LEASE PURCHASE
Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

• CONTRACT HIRE
A non-ownership finance solution that keeps costs fixed and risks low.

For more information on Citroën fleet and business sales, please call Citroën fleet connect on 0800 023 4000 or look us up at http://business.citroen.co.uk

CITROËN INSURANCE

• INSTANT COVER
To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days’ comprehensive car insurance, for free!

• MOTOR INSURANCE
Citroën Insurance has been designed specifically for our vehicles. You don’t just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725.

Lines open 8am - 8pm weekdays, 9am - 5pm Saturdays. Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA.

CITROËN FINANCIAL SERVICES

• PURCHASE PLAN
Own your vehicle with this flexible package designed to fit your budget.

• ELECT 3
A new Citroën car every two or three years with monthly payments structured to suit your budget.

• ELECT 4
Enjoy the convenience of a new car without the stress and hassle of ownership.

To find out more about Citroën products and services, go to www.citroen.co.uk or contact your Citroën dealer.

Motability

All our vehicles are available on the Motability scheme which includes insurance cover. To find out more, please contact your local dealer to speak to a Motability specialist or visit citroen.co.uk/motability.

CITROËN prefers TOTAL – Note: Images and specification descriptions are dependent on trim level and options specified. Every endeavour has been made to ensure that the information and details contained in this brochure were accurate at the time of going to press October 2018. However the company reserves the right, whilst preserving the essential characteristics of the models described, to introduce at any time modifications, changes of details, equipment or accessories. Every effort will be made to bring this brochure up to date, but in order to avoid any misunderstandings please consult your Dealer. For full details of Citroën Care for Car and Driver, please see the full manufacturer’s price list. The Citroën Website contains full information on all Citroën products and offers available in the UK, together with details of our environmental and recycling policies. The site address is www.citroen.co.uk or you can contact Citroën directly via http://citroen-uk-en.custhelp.com

This brochure is made from paper from a well-managed forest. Citroën support responsible use of forest resources.

Please don’t throw me away, give me to a friend or recycle me.
