NEW CITROËN
C4 CACTUS HATCH
During the 90s Le Tone had
a major hit, “Joli Dragon”, and
devoted himself to music for
15 years before progressively
moving towards illustrative art.
Since 2011 his creations have
been exhibited in famous places such as the
Pompidou centre. An admirer of artists who
know how to make the best use of colour,
Le Tone confesses to having a weakness for
black and white, which he uses to tell simple
stories by using felt pen drawings in notebooks.

1934
CITROËN’s return to
the world of rally in
pictures.

1939
The pioneering Citroën Type A
enters mass production.

1948
The much-loved 2CV is created
as a “safe and economical vehicle,
able to carry 4 people on board
and 50 kg of luggage”. More than
5 million are made.

1959
CITROËN’s return to
the world of rally in
pictures.

1968
It’s a golden age for light and agile
vehicles like the Ami 6, Dyane and
Mehari, a unique design for all roads
and multi-purpose use.

1974
The 70s and 80s see Citroën’s
technology triumph, with models such
as the AX, BX, CX and advanced XM,
a prestigious vehicle equipped
with Hydractive suspension.

1987
Women of the Manufacturers’ Rally Raid World Cup from
1993 to 1997. Rally Raid World Cup Drivers’ Champion
time times in a row, eight manufacturers’ Champion titles
in WRC plus three in WTCC… Citroën has continued
to demonstrate exceptional sports pedigree upon
returning to WRC in 2017.

1997
CITROËN’s return to
the world of rally in
pictures.

1999
CITROËN’s return to
the world of rally in
pictures.

2014
Citroën C4 Cactus is
launched, incorporating
the innovative Airbump®
protection system.

2017
Citroën’s return to
the world of rally in
pictures.

CONTENTS

P. 10 – DESIGN
P. 20 – CITROËN ADVANCED COMFORT®
P. 34 – TECHNOLOGY
P. 48 – EQUIPMENT
New Citroën C4 Cactus inspires you at a glance with its new front light signature. Slender, sophisticated LED daytime running lights, a refined headlight design complemented by glossy black inserts and colour details* around the fog lights add up to a striking, fresh face. The iconic chrome chevrons extend around the daytime running lights, whilst side scoops and the widened air intake with bright chrome surround contribute to a new sense of dynamism. Rear styling asserts its versatile hatchback character, complete with stunning, redesigned 3D effect LED light signature.

* Depending on version.
ELEGANT, DYNAMIC
AND INDIVIDUAL

New Citroën C4 Cactus has a unique profile and presence, from its unmistakable horizontal bonnet line, through the flow of its large windscreen and windows, to the wide, accessible tailgate. Combining compact dimensions with a long wheelbase, it’s agile on the open road and effortless around town. Brand new Airbump® panels assure extra protection wherever you go.

Taking personalisation to another level, there are four Colour Packs* available, allowing you to add individual touches to front fog light trims and Airbump® panels. Choose from Gloss Black, Gloss White, Deep Red and Silver Chrome. There are no fewer than 31 exterior combinations to explore… so feel free…

* Depending on version.
Inside New Citroën C4 Cactus you’re surrounded by bold design, quality materials and beautiful finishing touches. Elements such as the Top Box straps and door handles draw their inspiration from the world of fine luggage, whilst the distinctive horizontal dashboard places all essential controls on the 7” touch screen, leaving plenty of clutter-free space. The semi-raised centre console is detailed with glossy black and chrome inserts, adding to the relaxing, contemporary feel. With the sculpted, welcoming Advanced Comfort Seats New Citroën C4 Cactus takes comfort and style to an even higher level.
Inspired by the world of furniture and the spirit of travel, New Citroën C4 Cactus offers a choice of 4 diverse interior ambiances.

Wild Grey ambiance* (standard ambiance) is full of vitality yet refined too, with seats in Silica Grey cloth, offset with a light grey strip on the seat backs. The light grey strip also features on the dashboard top, armrests, door and Top Box straps.

Metropolitan Red ambiance** emphasises the feel of airy space, through design clarity and smooth, tactile materials. Seats are finished in Silica Beige cloth with a striking dark red strip on the seat backs, and the same red accents are found on the dashboard top.

Hype Grey ambiance* evokes an elegant premium feel with half black grain leather seats and grey dashboard top.

Hype Red ambiance* is the ultimate expression of interior style and substance, with seats finished in Beige Nappa leather and Beige cloth, plus a dark red strip of Alcantara across the upper seat backs. The dashboard top is also dark red, while armrests, door and Top Box straps are in contrasting Beige.

* Depending on version.
A NEW KIND OF COMFORT
CITROËN ADVANCED COMFORT® delivers unrivalled comfort levels to each passenger. Using new technology and intelligent design, it’s an approach that keeps you relaxed and refreshed in body and mind. In typical Citroën style, everything that contributes to comfort has been carefully considered and rethought. Four core themes are used to create the perfect driving environment: soft contact points and low noise levels, interior space and versatility, intuitive and useful technology and pure, calm comfort all round.
Innovation is part of Citroën’s DNA and so is providing exceptional comfort. This is why New Citroën C4 Cactus features a world-first suspension design that delivers both extraordinary comfort and agility. Effortlessly absorbing imperfections and changes in the road surface, the system also keeps body movements perfectly controlled for stable progress and quick responses.

*Not available on PureTech 82 models.
The Progressive Hydraulic Cushion™ is like many Citroën innovations: beautifully simple. Unlike an ordinary suspension system that uses a shock absorber, coil spring and mechanical stop, the Citroën solution adds two hydraulic cushions to smoothly control compression and rebound. This slows down large or abrupt suspension movements and glides over minor road imperfections, delivering a balance of poise and unrivalled ride comfort.
Wide, welcoming and inspired by furniture design, the seats in New Citroën C4 Cactus are a revelation. Using high-density foam at the heart of the seat, with textured foam near the surface, they provide real softness while staying supportive too. The result is a whole new level of driving comfort, whether you’re nipping into town or taking a long journey.

* Depending on version.
The large panoramic glass roof ensures that the New Citroën C4 Cactus is always a good place to be throughout the seasons. Maximising light, it offers UV and heat protection during summer, and in winter it reduces heat loss thanks to excellent thermal insulation. This also helps to optimise the air conditioning, while noise-reducing laminated glass keeps the interior quiet and refined.

* Depending on version.
Filled with light, soft materials and plenty of room for everyone, New Citroën C4 Cactus extends a welcome like no other car. The distinctive horizontal dashboard with its central screen creates a clear view forward and reinforces the sense of roomy elegance. This feeling is enhanced by the quiet refinement of the interior, providing a cocoon like experience for driver and passengers.
Here’s an interior where everyone can relax and enjoy the ride in clutter-free space. There are clever storage places everywhere, such as the roomy Top Box in the dashboard, that entire console, the area dedicated to your smartphone complete with USB socket, and the huge rear door pockets. Boot volume is a seriously useful 358l and the cube-like shape makes it easy to load, whatever you need to accommodate.
New Citroën C4 Cactus features all the technology that you need for life on the move. Seamless connectivity and 12 reassuring driving aids simply make each journey run smoothly.
Easily controlled by voice recognition or with the 7 inch touch screen, CITROËN Connect Nav brings you a wealth of information including traffic conditions in real time, where to find fuel and how much it costs, car parks and even the weather outlook. Dedicated to making life easy, Mirror Screen technology allows you to control your smartphone and driving compatible apps through the touch screen. It’s available via Android Auto, Apple Carplay™ and MirrorLink®. There’s also a handy place for your smartphone in the centre console, conveniently close to the USB port.

To ensure you’re safe wherever you go, New Citroën C4 Cactus is equipped with the CITROËN Connect Box*, which brings you emergency and assistance call services, 24 hours a day, 7 days a week, thanks to its integrated SIM and if you are involved in an incident of some kind, the system pinpoint’s your precise location so the right services can get to you quickly.

*Depending on version.
EVERYTHING WITHIN EASY REACH

As intuitive as your smartphone, the 7 inch touch screen gives you instant access to the full range of driving and safety technology. You can also access main features using the buttons on both sides of the screen. Voice recognition allows you to control navigation, music and telephone calls in the easiest most natural way of all, so you can focus on enjoying the drive.
**ADVANCED SAFETY AND 12 DRIVING AIDS**

**ACTIVE SAFETY BRAKE**

Designed to reduce the risk of collisions, Active Safety Brake is working for you from 3mph. The system detects fixed or moving obstacles and pedestrians, and sends a clear warning to the driver if a possible collision risk is detected. If you don’t respond, it applies the brakes.

**SPEED LIMIT RECOGNITION AND RECOMMENDATION**

This useful feature recognises speed limits displayed on road signs and sends the information direct to the instrument panel. It can then be used to set the cruise control / speed limit.

**LANE DEPARTURE WARNING**

Over 37mph this system senses when a continuous or broken white line is crossed without the indicator being used, sending you a visual and audible alert.

**DRIVER ATTENTION WARNING**

This ingenious driving aid assesses driver attention level by monitoring changes in vehicle distance from road markings. It’s a great safety feature on roads with higher speed limits.

**COFFEE BREAK ALERT**

If you’ve been driving for 2 hours at 40mph or more, Coffee Break Alert lets you know that it’s time to take a break.

**BLIND SPOT MONITORING SYSTEM**

A serious safety aid on motorways and other high speed routes, this system lets you know if there’s a vehicle hidden in the blind spot, using a bright orange warning light in the door mirror.

(2) Optional depending on version
ADVANCED SAFETY AND 12 DRIVING AIDS

PARK ASSIST
Tailor made for parallel and bay parking, this active parking aid automatically detects a suitable space, then controls the steering to park in complete safety. All you need to do is select reverse, accelerate and brake.

REVERSING CAMERA
Hassle-free reversing is assured with the reversing camera, that sends a clear view to the 7 inch touch screen.

KEYLESS ENTRY AND START
This technology enables your car to recognise you as you approach, so you can unlock, start and lock it without getting the key out.

FOG LIGHT CORNERING FUNCTION
This extra light beam increases visibility and safety around tight bends and at junctions.

HILL START ASSIST
Created to prevent unwanted movement on hills when the brake pedal is released, Hill Start Assist works on gradients over 3%, holding your vehicle still for around 2 seconds. You can now move smoothly from brake to accelerator pedal and drive away.

GRIP CONTROL
A sure-footed traction control system, Grip Control optimises front wheel drive grip based on road surface changes. A dial on the dashboard allows you to select one of 5 modes depending on conditions: Standard, Snow, Sand, Mud and ESP OFF.

NEW

New Citroën C4 Cactus doesn’t do compromise. So whilst it’s designed to produce minimal CO₂ and deliver amazing fuel economy, it also provides a memorable driving experience, with a fine balance between performance, ride and handling. The secret is simply a combination of advanced lightweight construction and the latest generation engines that are both responsive and economical. Another innovation that contributes to sheer drivability is the EAT6 automatic gearbox. Matched with the PureTech petrol engine, it offers fast, fluid gear changes that help you make the most of every trip. An inspiring alternative is the most powerful engine in the range, the PureTech 130 S&S 6-speed manual.
The PureTech 110 S&S manual and PureTech 130 S&S 6-speed manual options for New C4 Cactus have been named engines of the year*, in recognition of their no-compromise efficiency and performance. You can also choose BlueHDi diesel power, which is a major step forward in environmental protection. Its filter stops 99.9% of harmful exhaust particles, while the catalytic converter removes 90% of nitrogen oxides (NOX).

All PureTech petrol and BlueHDi diesel engines meet the latest Euro 6 regulations.

*International engine of the year award for 2015, 2016 and 2017 for the PureTech 110 and PureTech 130 S&S, in the 1-1.4 litros capacity category, awarded by the “International Engine of the Year Awards” panel, organised by the British magazine, Engine Technology International.

CITROËN WARRANTY

With the added reassurance of a warranty, routine servicing and maintenance, as well as 24-hour roadside assistance, you are protected.

• CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year warranty package, plus a 3.5 year paint warranty.

• CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It covers free of charge for a full year any repair to 24 hours' delay in all parts of the UK and Europe.

With roadside assistance come replacement vehicles, hotel accommodation and vehicle storage, if required. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes incidents, whether or not arising out of a fault, road blocking, loss of keys, broken down, road traffic accidents and positionless wheel changes.

However the company reserves the right, whilst preserving the essential characteristics of the models described, to introduce at any time modifications, changes, improvements, changes in specifications, changes in the list of optional or standard equipment or pricing, and alterations to the details, tests in order to avoid any misunderstanding. Please consult your Dealer for full details of Citroën Car and Van, please see the full manufacturer’s price list. The Citroën behaviour is based on information available at the time of going to press, together with details of our environmental and recycling policies. The sale and address is subject to any present contract with Citroën and is subject to any alterations.

CITROËN CONTRACT

• CITROËN MAINTENANCE

From roadside assistance to replacing your wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens. To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

• CITROËN SERVICING

Available up to 1 year from your vehicle’s registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle’s servicing needs for 3 years/35,000 miles. For further information, please contact your Citroën Dealer.

• CITROËN MOT TEST

Once your vehicle is three years old, it requires an annual MOT Test. This is a legal requirement to check that it meets road safety and environmental standards. Our nationwide network of Citroën Authorised Repairers know your Citroën best, so if your vehicle’s MOT Test is due, why not contact your local Citroën Authorised Repairer. Our trained MOT Testers will carry out any necessary repairs at no extra charge to you, ensuring your vehicle is safe to drive.

NEW CITROËN C4 CACTUS HATCH
IS PACKED WITH NEW THINKING
AND FRESH STYLE
EQUIPMENT SPECIFICATION

To make choosing straightforward and enjoyable, we’ve worked hard to ensure that the information in this brochure is accurate at the time it was created in May 2018. It’s important to remember that Citroën can introduce changes to the equipment and accessories featured, although these wouldn’t alter the essential character and design of the models. Naturally the images and specifications are also dependent on trim level and any options included.

We know how important it is to present the right facts and figures, so our brochures are regularly updated, however it is important that you consult your dealer when ordering your vehicle to ensure you are advised of the latest specifications and equipment.

INTERIOR TRIM

FINANCE AND INSURANCE SHOULD REFLECT YOU AND YOUR NEEDS, JUST AS YOUR CHOSEN CAR DOES. HERE ARE THE PRODUCTS THAT AIM TO DO JUST THAT.

CITROËN & YOU

CITROËN FINANCIAL SERVICES

- PURCHASE PLAN
  Own your vehicle with this flexible package designed to fit your budget.
- ELECT 3
  A new Citroën car every two or three years with monthly payments structured to suit your budget.
- ELECT 4
  Enjoy the convenience of a new car without the stress and hassle of ownership.

To find out more about Citroën products and services, go to www.citroen.co.uk or contact your Citroën dealer.

CITROËN INSURANCE

- INSTANT COVER
  To help you drive away your new car without delay, we offer Instant Cover insurance, providing you with 7 days comprehensive car insurance, for free!
- MOTOR INSURANCE
  Citroën Insurance has been designed specifically for our vehicles. You don’t just get repairs you get Citroën expertise, service, quality and parts. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725.

For more information on Citroën fleet and business sales, please call Citroën fleet connect on 0800 023 4000 or look us up at http://business.citroen.co.uk

CITROËN WARRANTY

Every new Citroën car has the benefit of a 3 year warranty package, plus a 12 year anti-perforation warranty and a 3 year paint warranty.

- 2 years unlimited warranty. Where customer benefit is 1 year’s Drive-assured warranty, only on cars sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 60,000 miles for cars.

- Anti-perforation coverage is limited to 12 years or 60,000 miles for cars.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both car and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required.

Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mechanical loss of keys, lockouts, road traffic accidents and punctures/wheel changes.

For more details please contact Citroën at http://citroen-uk-en.custhelp.com

CITROËN MAINTENANCE

From roadside assistance to replacing wear and tear parts or regular servicing, with Citroën Maintenance you have total peace of mind. For a one-off fee or low monthly payment, our experienced engineers will take care of your Citroën, whatever happens.

To find out more, contact your Citroën Dealer or Citroën Authorised Repairer.

CITROËN SERVICING

Available up to 1 year from your vehicle’s registration date, but before its first chargeable service, a Citroën Servicing Package enables you to pay in advance for your vehicle’s servicing needs for 3 years/35,000 miles.

For further information, please contact your Citroën Dealer.

NOTE: Images and specification descriptions are dependent on trim level and options specified. Every endeavour has been made to ensure that the information and details contained in this brochure were accurate at the time of going to press May 2018. However the company reserves the right, whilst preserving the essential characteristics of the models described, to introduce at any time modifications, changes of details, equipment or accessories. Every effort will be made to bring this brochure up to date, but in order to avoid any misunderstandings you are advised to consult your Dealer.
