All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government). Please consult your local Citroën dealer for the most up-to-date prices and specification details for all models. CO₂ figures above are for a standard vehicle without any additional optional equipment. The addition of optional extras could increase the certified CO₂ emission output.

* WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other vans tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures.

** Includes driver

*** The Government PIVG is worked out at 35% of the Base Vehicle Price (incl. VAT) and including any discounts applied up to a maximum of £2,500.

[†] All Manufacturer's Recommended Basic Prices are exclusive of V.A.T., Delivery to Dealer and Number Plates, Government First Registration Fee and Vehicle Excise Duty.

[^] Enterprise Pro and Driver Pro versions benefit from the Moduwork® seat which provides an additional load length of 1162mm and increases the load volume by 0.5m³.

[≠] Crew Van dimensions are based upon figures with the 2nd row seats in place. For more information on dimensions with 2nd row seats folded, and 2nd row seats folded with EXTENSO® seat, please refer to the Berlingo Pricing and Specification file.

Legal notice ELECTRIC VEHICLES:

¹ The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. They may vary depending on actual conditions of use and on different factors such as: speed, thermal comfort on board the vehicle, driving style and outside temperature. The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used.

CITROËN BERLINGO & ë-BERLINGO VAN

1 Linked to Citroën Connect Navigation.

2 Includes 8" Colour touchscreen with Citroën Connect DAB radio.

3 Incompatible with glazed asymmetric rear doors, Flankguard, rear parking sensors, front and rear parking sensors, rear view camera with rear parking sensors and rear view camera with front and rear parking sensors.

4 Incompatible with front lateral and passenger airbags.

5 Includes passenger airbag.

6 Includes front lateral and passenger airbags.

7 Includes Visibility Pack on Worker Pro and Enterprise Pro versions.

8 Cannot be ordered with Keyless entry and start or automatic dual zone air conditioning. Included with BlueHDI 130 Auto engine.

9 Rear view mirror is only supplied when glazed bulkhead is ordered as well. Incompatible with Surround Rear Vision.

10 Standard on XL versions.

11 Includes front passenger's airbag and Visibility Pack.

12 In lieu of hard plastic floor protection.

13 Removes full wheel covers.

14 Incompatible with Special Paint. Driver Pro versions will have Black Exterior Door Mirrors only.

SpeedCam/Danger Zones package

The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time.

Please visit <https://services-store.citroen.co.uk/> to subscribe.

CITROËN BERLINGO & ë-BERLINGO VAN

EQUIPMENT & OPTIONS

Prices effective from 1 July 2022.

	Panel Van		Crew Van
	Enterprise Pro	Driver Pro	Enterprise Pro

The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit <https://services-store.citroen.co.uk/> to subscribe.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government). Please consult your local Citroën dealer for the most up-to-date prices and specification details for all models. CO₂ figures above are for a standard vehicle without any additional optional equipment. The addition of optional extras could increase the certified CO₂ emission output.

* WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other vans tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures.

** Includes driver.

*** The Government PIVG is worked out at 35% of the Base Vehicle Price (incl. VAT) and including any discounts applied up to a maximum of £5,000.

† All Manufacturer's Recommended Basic Prices are exclusive of V.A.T., Delivery to Dealer and Number Plates, Government First Registration Fee and Vehicle Excise Duty.

Legal notice ELECTRIC VEHICLES:

¹ The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. They may vary depending on actual conditions of use and on different factors such as: speed, thermal comfort on board the vehicle, driving style and outside temperature. The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used.

† All Manufacturer's Recommended Basic Prices are exclusive of V.A.T., Delivery to Dealer and Number Plates, Government First Registration Fee and Vehicle Excise Duty. Maximum indicative payload is calculated as the difference between GVW and kerb weight. However, due to manufacturing tolerances and differences in the specification of UK vehicles, the mass in service figure provides a closer indication of the vehicle weight and therefore enables a more realistic payload to be calculated. An individual vehicle must be weighed to establish the exact kerb weight and payload applicable to that vehicle. It is the responsibility of the driver to ensure the vehicle is operated within the legal limits.

¹ Maximum allowable payload. Exact value varies depending on specification of completed vehicle.

² Floor cabs cannot be used for Tipper or Dropsides. They can only be used for vehicles with a completely enclosed box body.

³ On Back to Back Cab, until further notice, AL-KO are unable to provide a chassis equipped with ESC for any wheelbase greater than 4,400mm or for a tandem rear axle (regardless of wheelbase length).

⁴ Please note: there may be a +/- 5% variance in payload of these models, due to natural variations in the raw materials used.

CITROËN & YOU

A network of Citroën New Van Dealers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Dealers can offer advice on vehicle funding, via Free2Move Lease with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via PSA Finance UK Ltd with Hire Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

DELIVERY AND NUMBER PLATES

There is a standard charge for delivery with number plates as follows:

Citroën Berlingo and Berlingo Van:	£755
Citroën Dispatch and Relay:	£790

These prices are inclusive of V.A.T., but exclusive of Vehicle Excise Duty and the Government First Registration Fee. Where delivery is not made to the customer at the Dealer's premises, a further charge may be made at the Dealer's discretion.

VEHICLE EXCISE DUTY

V.E.D. rate for all commercial vehicles up to and including 3,500kg G.V.W.: £290

V.E.D. rate for all commercial vehicles above 3,500kg G.V.W.: £165

V.E.D. is not applicable to electric versions

VEHICLE CONVERSIONS

Conversions of vehicles supplied by Citroën UK are carried out by independent companies to suit the needs of individual customers. In all cases, the converter company is responsible for:

- Ensuring that the converted vehicle conforms to all legislation in force at the time
- The suitability of the conversion carried out, in agreement with the customer
- The quality of design and workmanship of the conversion
- Claims under guarantee relating to the conversion

Citroën UK Ltd does not accept any liability whatsoever and howsoever incurred in respect of the works carried out by such independent companies, and customers must assure themselves of the suitability, quality and legal conformity of such conversion works.

CITROËN FLEET AND BUSINESS SALES

All Citroën New Van Dealers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs. For more information on Citroën fleet and business sales please contact your local Citroën dealer or go to <http://business.citroen.co.uk>

COMPREHENSIVE WARRANTY

Every new Citroën van offers the benefit of a three year* warranty package, plus a five year anti-perforation** warranty and a two year paint warranty.

In addition, the e-Berlingo, e-Dispatch and e-Relay offer a manufacturer's battery warranty of eight years/100,000 miles up to 70% charging capacity.

* Two years' unlimited mileage manufacturer's warranty. No-fee customer option of one year's Dealer provided warranty, only on vehicles sourced from Citroën UK Limited. Note: Dealer provided warranty is limited to 100,000 miles for all commercial vehicles including motorhomes and other converted vehicles.

** Against all internal to external perforation to bodywork or underbody on condition the van undergoes an inspection by a Citroën franchised Dealer on its second and fourth anniversaries.

CITROËN ASSISTANCE

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency. It comes free of charge for a full year, from date of vehicle registration, and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both van and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. You can also purchase additional Citroën Assistance via your local Citroën Dealer at any time. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes. e-Berlingo, e-Dispatch and e-Relay comes with a free of charge 8 year or 100,000 miles (whichever occurs first) Citroën Assistance starting from the date of registration. For more details please contact Citroën at <http://citroen-uk-en.custhelp.com>

SERVICING

Available up to one year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing package enables you to pay in advance for:

- Scheduled Servicing[†]
- Annual Service(s)[†] for vehicles with a two year service plan
- Brake Fluid Replacement[†]

This package can be personalised depending on your needs, with options ranging from 12 to 60 months and 10,000 to 100,000 miles.

MAINTENANCE

For a single fee or low monthly payments, you can put yourself in control of your maintenance costs. Depending on your needs, you can choose from a package that covers you between 12 and 48 months and between 10,000 and 150,000 miles and provides you with:

- Scheduled Servicing[†]
- Periodic Maintenance[†]
- Wear and Tear Cover – The replacement of friction materials such as brake pads, discs, wiper blades, clutch and other such items needed to keep you and your vehicle on the move
- Citroën Assistance, provided by the AA, includes: Roadside & At Home Assistance, Recovery, Onward Travel, European Cover
- MOT test fees

Why not add the following option to your chosen package:

- Replacement of worn tyres, including wheel balancing (includes puncture repairs)
- Replacement vehicle whilst yours is being serviced or MOT'd

Rest assured that all Maintenance and Servicing work will be carried out by qualified Citroën Technicians at any Citroën Authorised Repairer within the UK, using only Citroën Original Equipment and Approved Parts. For further information, please contact your Citroën Dealer.

CITROËN MOTOR INSURANCE

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs, you get Citroën expertise, service, quality and parts. You see, where other insurers see a vehicle, we see a Citroën. So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725. (Lines open 8am-8pm weekdays, 9am-5pm Saturdays. Max call charge from a BT landline is 8p per minute. Calls from other networks may vary). Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance is underwritten by U K Insurance Limited. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of Banque PSA Finance UK Ltd of 61 London Road, Redhill, Surrey, RH1 1QA.

INTERNET

The Citroën Website contains full information on all Citroën products and offers available in the UK, together with details of our environmental and recycling policies. The site address is: www.citroen.co.uk or you can contact Citroën directly via cuk_contactcentre@citroen.com

Alternatively, for further information, please contact your Citroën Dealer.

CITROËN prefers TOTAL

NOTE: Every endeavour has been made to ensure that the information contained in this leaflet was accurate at the date of going to press July 2022. The Company however, reserves the right, whilst preserving the essential characteristics of the models described, to introduce at any time modifications, changes of details or equipment as may be considered necessary to improve the models described or for any other reason of a constructional or operational nature.

The image features the Citroën logo at the top center, consisting of a stylized double chevron symbol above the word 'CITROËN' in a bold, white, sans-serif font. Below the logo, three white Citroën electric vans are displayed against a light blue background with a large, downward-pointing chevron graphic. The van on the left is a larger model, the middle one is a smaller van, and the one on the right is a compact van. Each van is connected to a charging station. The floor is decorated with a pattern of blue and green chevrons pointing downwards.
