During the 90s Le Tone had major hit, "Joli Dragon", and devoted himself to music for years before progressively moving towards illustrative art. Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. An admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he uses to tell simple stories by using felt pen drawings in notebooks.

1934 1939 1948 1968

Citroën revolutionises the automotive landscape with Traction Avant. The famous name relates to its ground breaking front wheel drive engineering.

1974

Citroën launches CX. It’s the ultimate mix of technical innovation and advanced design with the engine and gearbox positioned together at the front. Sophisticated hydro pneumatics suspension, concave rear screen and a futuristic dashboard help it to stand out amongst more ordinary rivals.

2016

CITROËN Origins

Discover the models that make up Citroën’s extraordinary history, from 1919 to the present day.

1934

Citroën launches ‘TUB’, a supremely practical modern design with a sliding side door, its successor is the famous Type H, above, launched in 1948.

1939

The much loved 2 CV is created as a “safe and economical vehicle, able to carry 4 people on board and 50 kg of luggage”. More than 5 million are made.

1948

Citroën launches CX. It’s the ultimate mix of technical innovation and advanced design with the engine and gearbox positioned together at the front. Sophisticated hydropneumatic suspension, concave rear screen and a futuristic dashboard help it to stand out amongst more ordinary rivals.

1955

Unveiled to a stunned public at the 1955 Paris Motor Show, DS takes futuristic design to new heights. Its stunning wedge- shaped look, created by Flaminio Bertone, earns it the nickname ‘flying saucer’. Under the skin it’s just as advanced.

1968

It’s a golden age for light and agile vehicles like Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

2017

CITROËN Experience Concept reinvents the prestige saloon. A bold, fresh alternative, a high-end stylish interior and the latest technology combine to inspire the world of automotive design.

2016

Winners of the Manufacturers’ Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers’ Champion five times in a row, Manufacturers’ Champion twice in WRC plus three in WRC... Citroën has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.
A CITROËN FOR EVERYONE

Around town or across the country, every Citroën provides pure comfort and a welcoming environment. It’s always been this way.

OPTIMISTIC DESIGN

With features and proportions that make it instantly recognizable, Citroën C3 has an optimistic presence and personality. Its strong, raised face and fluid curves, chunky side details and bold graphic elements encapsulate energy and refinement in one fresh, contemporary shape.

Central roof decoration available as an option, also available in white.

Learn more about Citroën C3 by scanning this QR code with your smartphone.
UNIQUELY DISTINCTIVE

Citroën C3 stands out thanks to its innovative character and strong personality. This can be seen in every detail, from the lighting signature with LED* daytime running lights to the wheel arch extensions*, Airbump® and stunning 3D-effect rear lights. Unique and assertive, Citroën C3 doesn’t do blending in!

*Depending on version.
Unmistakable at a glance, the Airbump® panels on Citroën C3 protect its bodywork from dents and scuffs. An exclusive Citroën innovation introduced on Citroën C4 Cactus, the panels consist of seven air-filled capsules made from tough polyurethane which can feature red or white surrounds, depending on the chosen roof colour.

Citroën C3 is available with or without Airbump® panels.
Whatever your personal taste, with 9 exterior and 3 roof colours, there’s a Citroën C3 to match. Each roof colour comes with exterior colour touches including on the fog light surrounds, door mirrors and rear quarter panels. If you’d prefer, you can choose a body coloured roof (monotone), go with or without the ingenious Airbump®, or add in the optional panoramic sunroof. Self-expression starts here...
YOUR IDEAL AMBIANCE

Beautifully made with fine detailing and attention to detail, the standard interior ambiance of Citroën C3 is welcoming and contemporary. There are also two optional ambiances encompassing contrasting seat trims, dashboard elements and stitching on the door straps.

- The ‘Urban’ Red Ambiance* creates a rich dramatic contrast between dark and light. The vibrant red dashboard surround and stitching bring out a dynamic character and sporty feel.

- The ‘Hype’ Colorado Ambiance** makes full use of high-quality, soft-touch materials and refined design. The tactile, bi-tone leather steering wheel is just one desirable feature to savour.

**Available as an option.
Around the interior of Citroën C3 you’ll discover details inspired by architecture, interior design and even traditional luggage, such as on the beautifully finished overstitched door straps.*

*Dependent on trim level.
ALL ROUND RELAXATION
Designed to offer unrivalled comfort and wellbeing for each passenger, CITROËN ADVANCED COMFORT® aims to provide the best for body and mind. Soft-touch contact areas and refined acoustics create a sense of calm, while interior space has been designed to be stylish and versatile. The overall ambiance ensures journeys feel effortless and intuitive technology gives you instant access to advanced features and practical driving aids.
Contemporary and welcoming, Citroën C3’s interior has been designed to ensure serenity reigns supreme. The seats are wide, comfortable and supportive, while carefully selected materials and colours guarantee a feeling of well-being inside. Design inspiration comes from diverse sources, beyond the automotive world. Citroën C3 also features exceptional soundproofing and trademark Citroën suspension.

AN INTERIOR TO MAKE YOU FEEL AT HOME
PANORAMIC VISION

Choose the optional panoramic sunroof for Citroën C3 and your journeys take on another dimension. Visibility is transformed and natural light pours in, making the most of the changing elements. An integral sunblind allows you to fine-tune light levels if required.

Metropolitan grey interior not available in UK.
PERFECTLY FORMED

Elegantly simple and beautifully made, Citroën C3’s dashboard is shaped by the Citroën Advanced Comfort® programme. This means perfectly placed controls, crystal clear displays, tactile materials and the multi-function touchscreen* placed right at its heart.

*Depending on version
With plenty of space to relax and exceptional rear legroom, Citroën C3 has a big-car feel from the inside. Outside it’s really compact, measuring just 3.99m in length – perfect for enjoying that natural agility and manoeuvrability. And to make it even more compact, Citroën C3 is equipped with electric folding door mirrors*.

*Excluding Touch versions.
You’ll find functional, spacious storage ideas throughout Citroën C3 to keep your interior clutter-free. The central storage compartment also features USB and 12V sockets*. Front doors also have good size pockets and the boot volume is 300 l.

*Depending on version.
Citroën C3 is filled with innovative technologies and driving aids that are intuitive, simple and seamlessly quick. With a focus on safety, every advance is there to fit right into your routine, and enhance the everyday.
TECHNOLOGY

ConnectedCAM Citroën®
NOTHING GETS MISSED

As part of its suite of fashionable technology, Citroën C3 is home to a world first: ConnectedCAM Citroën® is an HD camera that’s discreetly fitted behind the rearview mirror and sees what the driver sees. With its wide amazing angle of 120°, you can film your arrival at fantastic places, whether that’s spectacular scenery or awe-inspiring cityscapes and savour them anew later. The camera also has a click and share option, letting you take memorable photos and share them with your friends across social media.

There’s also a free ConnectedCAM Citroën® app** that transmits your GPS coordinates every time you stop. This means your Citroën C3 can always be found in an instant.

* Filming and taking photos with the connected camera and using recordings must comply with local laws and local laws, depending on the respective country. For example, data protection regulations. You are responsible for compliance with local laws. Citroën cannot take any responsibility whether your insurance company will accept ConnectedCAM Citroën® recordings as evidence of proof. Please check with your insurance company before using.

** Your free app is available on the App Store and Google Play.
ConnectedCAM Citroën®
PERSONAL SAFETY CAMERA

The free ConnectedCAM Citroën® is about more than fun though, it’s also an inspiring in-vehicle safety innovation. It films constantly, but if you need to break sharply, it saves the footage for 30 seconds before the event, and one minute afterwards. This, combined with its geolocation function that registers your GPS coordinates each time you stop could prove invaluable in the event of an accident.

Metropolitan Grey exterior not available in UK.

Filming and taking photos with the connected camera and saving recordings must comply with various laws, depending on the respective country, for example data protection regulations. You are responsible for compliance with such laws. Citroën cannot take any responsibility whether your insurance company will accept ConnectedCAM Citroën® recordings as a means of proof. Please check it with your insurance company before using.
Using Citroën C3’s extensive connected technologies is simply second nature. Citroën Connect Nav* can be controlled by either voice recognition or through the 7 inch touch screen and brings you a wealth of information, from real time traffic reports to the location and price of fuel, car parks and even weather forecasts. There’s also a SpeedCam / Danger Zone option which sends you both audible and visual alerts for known accident black spots and traffic enforcement cameras. “Connect your smartphone to enjoy Mirror Screen, which allows you to control your smartphone applications using the touchscreen. Mirror Screen is available with Apple Carplay™, Android Auto and MirrorLink®.

* Available on some versions.
** Available in countries where legislation allows.
+ Dependent on smartphone model.
Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.
11 SAFETY AND DRIVER AID SYSTEMS

BLIND SPOT MONITORING SYSTEM*
A really useful safety innovation on multiline roads, the Blind Spot Monitoring System alerts the driver to vehicles approaching from behind in the blind spot, using an orange warning light mounted in the door mirror.

LANE DEPARTURE WARNING SYSTEM
If Citroën C3 crosses a solid or intermittent white line without the indicators being activated, the Lane Departure Warning System sends clear visual and audio alerts to the driver.

COFFEE BREAK ALERT
This system reminds the driver to take a break on long journeys, for example after 2 hours at average speeds over 40 mph.

CRUISE CONTROL/ SPEED LIMITER WITH SPEED LIMIT SETTING
The recommended figures can be set in the cruise control and speed limiter for complete peace of mind.

SPEED LIMIT RECOGNITION AND RECOMMENDATION
Designed to recognise speed limits and display them clearly to the driver on the dashboard.

*Available as an option
When vehicles are detected coming towards you or overtaking, the headlights will switch from main to dipped beam. It ensures you always have the right lighting for night driving.

*Dependent on version

INTELLIGENT BEAM HEADLIGHTS*

Convenient and ingenious, you can now lock and unlock without getting your key out. The vehicle recognises you as you approach.

*Available as an option

KEYLESS ENTRY AND START*

Engage reverse and the Reversing Camera with parking sensors shows a clear view of what’s behind you on the 7 inch touchscreen. Additional coloured lines makes the position of obstacles clearer and helps you manouevre around them more easily.

*Standard on Flair and Flair Max Edition

REVERSING CAMERA*

When you pull away on steep gradients, Hill Start Assist holds the car for 2 seconds, giving you time to pull away safely and smoothly.

*Depending on engine choice

HILL START ASSIST*

This new emergency braking technology minimises the risk of collision. It starts working from speeds of 3 mph and is designed to detect both fixed or moving obstacles as well as pedestrians. If the system detects a collision risk, it sends a clear warning and if the driver doesn’t respond it automatically applies the brakes.

*Dependent on version

ACTIVE SAFETY BRAKE*

By analysing the direction of Citroën C3’s travel, the reassurting system can detect if the driver has lost concentration and sends an audible and visual alert.

*Standard on Flair and Flair Max Edition

DRIVER ATTENTION WARNING*

Engage reverse and the Reversing Camera with parking sensors shows a clear view of what’s behind you on the 7 inch touchscreen. Additional coloured lines makes the position of obstacles clearer and helps you manouevre around them more easily.

AUTO HEADLIGHTS*
Citroën C3 features a choice of the very latest PureTech petrol and BlueHDi diesel engines. Whatever suits you best, you’ll enjoy a fine balance between economy, efficiency and go-anywhere performance.

There are three petrol engines, PureTech 68, 82 and 110 S&S* and one diesel engine, BlueHDi 100 S&S.

To make the most of Citroën C3’s poise, comfort and aplomb, it is available with the advanced EAT6 auto (Efficient Automatic Transmission 6) automatic gearbox. In combination with the PureTech 110 S&S engine, this sophisticated transmission increases driving pleasure with fast smooth gear changes and maximise environmental efficiency too.

The PureTech 110 was awarded International Engine of the Year** in 2015, 2016, 2017 and 2018.

*Stop and Start
**2015, 2016, 2017 and 2018 International Engine of the Year Award for the PureTech 110 engine, in the 1.1 l to 1.4 l engines category, awarded by the jury of The International Engine of the Year Awards organised by the British magazine Engine Technology International.

*Figures shown are for comparison purposes only, you should only compare these fuel consumption and CO₂ figures with vehicles which are meeting the same test cycle standard. The fuel consumption figures achieved in real-world driving conditions will be dependent on a variety of factors including, but not limited to: the estimated weight of the vehicle; the road and traffic conditions; the behaviour and habits of the driver; how the car is loaded and its condition; individual variations in lifestyle; weather conditions; operating conditions and use of equipment and accessories. The CO₂ and fuel consumption figures are obtained using an EC correlation tool which converts WLTP figures to NEDC. These NEDC figures are based on the outgoing test cycle and will be used to calculate tax for the first registration. CO₂ and fuel consumption figures may vary according to wheel fitment and optional extras fitted.

**Equipment Specification**

To make choosing straightforward and enjoyable, we’ve worked hard to ensure that the information in this brochure is accurate at the time it was created in December 2018. It’s important to remember that Citroën can introduce changes to the equipment and accessories featured, although these wouldn’t alter the essential character and design of the models. Naturally the images and specifications are also dependent on trim level and any options included.

**Option availability varies according to version/engine/trim level. Some options are only available as part of a pack. Please refer to the options page for further information.**

1. Excludes PureTech 68 version.
2. Excludes PureTech 68 and PureTech 82.
3. Excludes PureTech 82.
4. As part of navigation upgrade only.
5. Only available in Soft Sand, Platinum Grey or Perla Nera Black body colours.
6. Only available in Almond Green, Pano White or Metallic paint body colours.
7. Not compatible with Perla Nera Black body colour.

Specifications:

- **Capacity (cc)**: 1199
- **Cylinders**: 3
- **Max power CEE (kW/rpm)**: 50 / 5750
- **Max torque CEE (Nm/rpm)**: 106 / 2750
- **Fuel system**: Multi-point electronic fuel injection
- **TRANSMISSION**: Five speed manual
- **Max speed (mph)**: 105
- **0-62mph (secs)**: 14.7
- **Standing 1000m (secs)**: 36.1
- **ECONOMY**: Combined: 6.1 - 5.8 (46.5 - 49.1) Litres/100km (mpg)
- **CO 2 EMISSIONS**: 110 - 105 g/km

**TECHNICAL SPECIFICATION**

- *Vehicle width/width with door mirrors. All measurements are in millimetres.*

**Figures shown are for comparison purposes only; you should only compare these fuel consumption and CO2 figures with other cars tested using the same technical standard. The fuel consumption figures shown are for model years 2009 and earlier and may not reflect current figures for newly re-engineered engines. Technical data shown is based on road load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) that is replacing NEDC (New European Driving Cycle). Figures are calculated using an EC correlation tool which converts WLTP figures to NEDC. These NEDC figures are based on the outgoing test cycle and will be used to calculate tax for the first registration. CO2 and fuel economy figures may vary according to wheel fitment and optional extras fitted.

Does. Here are the products that aim to do just that.

- **PURCHASE PLAN**
  Own your vehicle with this flexible package designed to fit your budget.

- **ELECT 3**
  Designed to fit your budget.

- **CONTRACT HIRE**
  A non-ownership finance solution that keeps costs fixed and risks low.

- **ELECT 4**
  Monthly payments structured to suit your budget.

- **LEASE PURCHASE**
  Own a vehicle with a finance solution that offers ultimate flexibility to complement your business cash flow.

- **LEASE PURCHASE**
  A tried and tested finance package that allows you to control your business cash flow and gain tax efficiencies.

- **HIRE PURCHASE**
  A fixed and risks low.

- **PURCHASE PLAN**
  A new Citroën car every two or three years with a tried and tested finance package that allows you to control your business cash flow and gain tax efficiencies.

- **CONTRACT HIRE**
  An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.

- **ELECT 3**
  An alternative to vehicle ownership that allows you to control your business cash flow and gain tax efficiencies.
Citroën C3 is a 5-door supermini that has an optimistic presence and personality. Its strong, raised face and fluid curves, chunky side details and bold graphic elements encapsulate energy and refinement in one fresh, contemporary shape.

Insurance groups (1-50) are an indication only; please consult your insurance company for further details.

* Figures shown are for comparative purposes only; you should only compare these fuel consumption and CO2 figures with other cars tested using the same technical standard. The fuel consumption you achieve, and CO2 produced, in real-world conditions will depend upon a number of factors, including the accessories fitted (post registration), driving styles and vehicle load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) used to measure fuel consumption and CO2 figures. The CO2 figures shown are for MY20 (prius European Driving Cycle interpolated), calculated using an EC correlation tool which converts WLTP figures to NEDC. These NEDC figures are based on the outgoing test cycle and will be used for calculation of tax for the first registration. CO2 and fuel economy figures may vary according to wheel fitment and optional extras fitted.

* The Manufacturer’s ‘On the Road’ recommended retail price includes the following: delivery to dealer and number plates £583.33, V.A.T. £116.67, Government first registration fee £55 and Graduated Vehicle Excise Duty (see http://business.citroen.co.uk for details).

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochure or contact your local Citroën dealer for the most accurate prices and specification details for all models.
