-----------------------------	----	---------------------------------	-----	-------	------	-----	---------

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government). Please see our Prices and Specifications brochures or contact your local Citroën Dealership for the most up-to-date prices and specification details for all models. CO<sub>2</sub> figures above are for a standard vehicle without any additional optional equipment. The addition of optional extras could increase the certified CO<sub>2</sub> emission output.

\* Driver Edition versions benefit from the EXTENSO® seat which provides an additional load length of 1273 mm and increases the load volume by 0.6 m<sup>3</sup>.  
\*\* Crew Van dimensions are based upon figures with the 2nd row seats in place. For information on dimensions with 2nd row seats folded, and 2nd row seats folded with EXTENSO® seat, please refer to Berlingo Dimensions page.

\*\*\*WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other vans tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures.

† All Manufacturer's Recommended Basic Prices are exclusive of V.A.T., Delivery to Dealer and Number Plates, Government First Registration Fee and Vehicle Excise Duty.

# CITROËN ë-BERLINGO VAN

Models produced from 01 January 2023

## Prices

New Citroën ë-Berlingo Van is the ideal solution for businesses looking to transition to 100% electric mobility.

Travel in unprecedented comfort and benefit from lower running and servicing costs.

Legal notice ELECTRIC VEHICLES:

The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. They may vary depending on actual conditions of use and on different factors such as: speed, thermal comfort on board the vehicle, driving style and outside temperature. The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used.

\* Driver Edition versions benefit from the EXTENSO® seat which provides an additional load length of 1273 mm and increases the load volume by 0.6 m³.  
\*\* Crew Van dimensions are based upon figures with the 2nd row seats in place. For information on dimensions with 2nd row seats folded, and 2nd row seats folded with EXTENSO® seat, please refer to Berlingo Dimensions page.

\*\*\*WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other vans tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures.

† All Manufacturer's Recommended Basic Prices are exclusive of V.A.T., Delivery to Dealer and Number Plates, Government First Registration Fee and Vehicle Excise Duty.  
^ The Government PiVG is worked out at 35% of the Base Vehicle Price (incl. VAT) and including any discounts applied up to a maximum of £2,500.

Metallic Paint	£400	£400	£400
Special paint	£545		£545

1 Incompatible with keyless entry and start.

2 Not available on EAT8 versions.

3 Includes front passenger's airbag.

4 Incompatible with Rear, Lateral and Front Parking Sensors, Blind Spot Detection, Electric Folding Mirrors and Fog Lights option and Surround Rear Vision.

5 Incompatible with Surround Rear Vision.

6 Incompatible with Glazed asymmetric rear doors, Rear, Lateral and Front Parking Sensors, Blind Spot Detection, Electric Folding Mirrors and Fog Lights option and Surround Rear Vision.

7 Incompatible with Glazed asymmetric rear doors and Rear, Lateral and Front Parking Sensors, Blind Spot Detection, Electric Folding Mirrors and Fog Lights option.

8 Standard on XL versions.

9 Incompatible with Worksite Pack.

10 Includes 16 inch wheels with full wheel covers.

11 11 kW three-phase onboard charger option is not recommended unless you intend to charge your New ë-Berlingo Van primarily from a source connected to three-phase power (unlikely if a home charge point). Using this charger in conjunction with a single-phase power source will actually charge your vehicle more slowly than the standard 7.4 kW single-phase onboard charger

### Citroën Connected Services

Vehicles equipped with the Citroën Connect box, have an embedded SIM card. So as well as the safety features of this system, a range of other 'connected services' which require data transmission, can be offered on a subscription basis. Additional terms & conditions apply to connected services, including customer acceptance of location sharing prior to activation. Subject to subscription - after you have taken delivery of your vehicle, please subscribe on: <https://services-store.citroen.co.uk/>

Telemaintenance: proactive monitoring of your vehicle & contact when something needs attention

Real Time Traffic & Speedcam Package: live data to enhance the Citroën Connect Nav system

Service availability depends on the hardware on each vehicle. To see if your vehicle is eligible for any services and subscribe, log in or create an account on <https://services-store.Citroën.co.uk/>

### SpeedCam/Danger Zones package

The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit <https://services-store.citroen.co.uk/> to subscribe.

### CITROËN Ë-RELAY

Trim	Length/Height	ELECTRIC	Maximum indicative payload (kg)	Load space (m³)	Gross Vehicle Weight (kg)	WLTP CO₂ g/km*	Basic MRRP†	Government grant^	Basic price after PiVG
Panel Van Enterprise Edition	L3H2	ë-Relay 35 Heavy Electric 75kWh	735	13	3500	0	£62,785	£5,000	£57,785
	L4H2	ë-Relay 35 Heavy Electric 75kWh	735	15	3500	0	£63,685	£5,000	£58,685

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government). Please see our Prices and Specifications brochures or contact your local Citroën Dealership for the most up-to-date prices and specification details for all models. CO₂ figures above are for a standard vehicle without any additional optional equipment. The addition of optional extras could increase the certified CO₂ emission output.

Legal notice ELECTRIC VEHICLES:

The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. They may vary depending on actual conditions of use and on different factors such as: speed, thermal comfort on board the vehicle, driving style and outside temperature. The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used.

\* WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other vans tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures.

† All Manufacturer's Recommended Basic Prices are exclusive of V.A.T., Delivery to Dealer and Number Plates, Government First Registration Fee and Vehicle Excise Duty.

^ The Government PiVG is worked out at 35% of the Base Vehicle Price (incl. VAT) and including any discounts applied up to a maximum of £5,000.
